

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions and listings of claims in the application:

Claims 1-60. (canceled)

Claim 61. (original) A one-piece closed shape structure, comprising:

an outer shell formed of a composite material; and

a frame formed on an interior portion of the outer shell, the outer shell and frame being co-cured to form the one-piece closed shape structure.

Claim 62. (original) The one-piece closed shape structure of claim 61, wherein the outer shell comprises an inner and outer skin.

Claim 63. (original) The one-piece closed shape structure of claim 62, wherein a core material is located between the inner and outer skin.

Claim 64. (original) A one-piece closed shape structure, comprising

an outer skin formed of a composite material;

an inner skin formed of a composite material;

a frame located on an interior portion of the inner skin; and

a core material located between the inner and outer skin, wherein the outer skin, inner skin, frame, and core material have been co-cured to form the one-piece closed shape structure.

Claim 65. (original) A one-piece airplane fuselage, comprising

an outer skin formed of a composite material;

an inner skin formed of a composite material;

a frame located on an interior portion of the inner skin; and

a core material located between the inner and outer skin;

wherein the outer skin, inner skin, frame, and core material have been co-cured to form the one-piece airplane fuselage.

Claim 66. (original) The airplane fuselage of claim 65, further comprising at least one integrally formed flange that has been co-cured with the outer skin, inner skin, frame, and core material.

Claim 67. (original) The airplane fuselage of claim 66, further comprising at least one integrally formed wing attachment pocket that has been co-cured with the outer skin, inner skin, frame, core material, and flange.
